

RECYCLED PLASTIC FURNITURE, FENCING & DECKING

Made in Exeter with plastic collected in the South West!

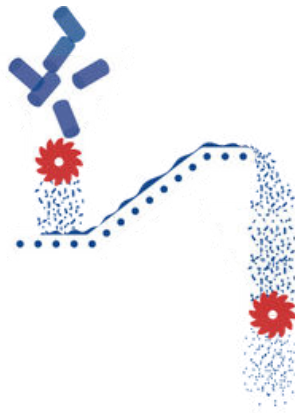

HOW DOES IT WORK?

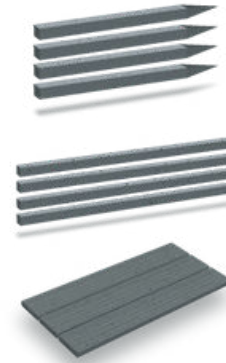

We collect your plastic waste

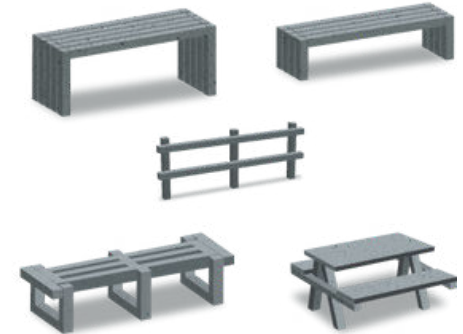

It goes to DCW Polymers

After sorting it is processed into granules...

...then we produce plastic posts, rails and decking...

...which we use to build our recycled furniture range!

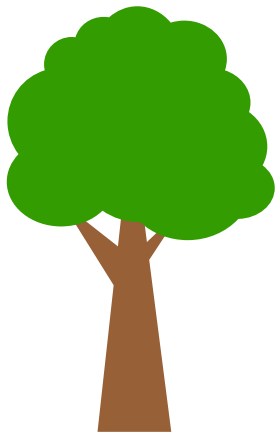

Delivering sustainable, long lasting, living solutions

- **100% Recycled**
- **High quality**
- **Rot, frost & rust proof**
- **Solid core**
- **Maintenance free**
- **Heavy duty**
- **Weather resistant**
- **Impervious to insects**
- **Recyclable at end of life**

WHAT SETS OUR PRODUCTS APART?

- All collections, processing and manufacture takes place in the South West
- A truly closed loop, circular economy
- Carbon emissions are saved by producing a recycled product, and in transportation of both the raw materials and the finished item!

We also plant 1 tree in Devon for every furniture item that we sell!

Delivering sustainable, long lasting, living solutions

RECYCLED PLASTIC FURNITURE

- Our recycled plastic furniture is so durable that it can be used for decades without breaking or needing maintenance or treatment
- Can be adjusted to your size requirements – smaller or larger at an additional cost
- Can be made wheelchair accessible on request
- Parasol holes can be drilled on request

RECYCLED PLASTIC FURNITURE

THE EXMOOR RANGE

THE BENCH

Length 125cm
Height 82cm
Depth 60cm

£220
+ VAT

THE CHAIR

Length 62.5cm
